Note on the use of Box List 167.

This collection consists mainly of policy records for Humes Ltd and its subsidiaries for the 1960s and 1970s.

Records in boxes 1 to 175 were collected on a trip to Melbourne in 1984 and the attached list is the original packing list. Please note that the records in the first section are not strictly listed/arranged by provenance and series, therefore, it is necessary to use the summary where the series have been drawn together.

Records located in boxes 176 to 374 were sent by Humes Ltd from August 1983 to June 1989. They have been re-boxed and arranged by provenance and series.

Please note that pages (i) to (iii) of the summary details series are for Humes Ltd. Subsidiary records are listed on page (iv). Series for the subsidiaries have not been detailed on the summary sheets and users should refer to the detailed shelf list for these particulars.

The records of subsidiary company usually consist of the main statutory records. A lot of information on these businesses can also be found in the series belonging to various Humes Ltd officers and other general series listed under Humes Ltd.
